"Reviewed By Romuald Dzemo for Readers' Favorite

Rich, emotionally complex, a story that juggles many suspenseful moments at once, For The Love of Mandy by Judith Ann Kohnen is the second entry in The Mandy Story, a tale that will take your breath away. Meet the holistic healer Amanda Fields, a woman who leaves a man she loves deeply just to find him at the other end of her journey, while already entangled with another man she has learned to love like her first. Now, she is faced with the dilemma of a lifetime. How can she choose between two people she seems to love in the same way, two men who awaken the same passion in her heart, and two men who are equally determined to keep her? That is what Amanda has to figure out.

A riveting woman-in-dilemma plot propels Judith Ann Kohnen's contemporary romance novel forward, a story with compelling characters and an intelligently designed plot. Few authors have Kohnen's gift for imbuing realistic and flawed characters with so much humanity. This is a densely plotted, fast-paced novel, packed with emotionally rich moments. The reader takes a quick liking to Amanda and, as they follow her from one gripping scene scene to the next, they are compelled to explore the complexities of her heart and to listen to its music. The author takes the reader into the very heart of the protagonist, making them relive moments and experience emotions that are intrinsically linked to our human nature. For The Love of Mandy is realistic, well-plotted, and written to keep the reader interested in the characters. It is as riveting as it is entertaining. A must-read for fans of contemporary romance."
