Author's new book receives a warm literary welcome.

Readers' Favorite announces the review of the Romance - Contemporary book "One Chance, One Moment" by Judith Ann Kohnen, currently available at <http://www.amazon.com/gp/product/1545272875>.

Readers' Favorite is one of the largest book review and award contest sites on the Internet. They have earned the respect of renowned publishers like Random House, Simon & Schuster, and Harper Collins, and have received the "Best Websites for Authors" and "Honoring Excellence" awards from the Association of Independent Authors. They are also fully accredited by the BBB (A+ rating), which is a rarity among Book Review and Book Award Contest companies.

"Reviewed By Divine Zape for Readers' Favorite

One Chance, One Moment is a stunning opening entry in The Mandy Story series by Judith Ann Kohnen, a riveting contemporary romance with believable characters and a gripping plot. A series of unfortunate events has led the renowned singer, Garry Danzlo, to the point of wanting nothing but to live a life of solitude. Grief stricken by his father's suicide and broken by an accident, he has no passion for life anymore. When his sister hires Amanda Fields to nurse him back to health, he is resolved to send her away as soon as he gets the chance. Amanda might just be seeing an opportunity to raise funds to adopt eight-year-old, wheelchair-bound Robbie, but she is catapulted onto a path she never could have envisioned, linked to Garry in a way she'd never experienced before, not even in her failed marriage.

I fell in love with Judith Ann Kohnen's writing and her characters. Hardly ever does one find an author with the ability to recreate the sensations of the human heart with such clarity. The prose is crisp and the author writes with confidence, creating a powerful dramatic effect with the unique sentence structure, the perfect paragraph breaks, and the impeccable punctuation. Readers will immediately take a liking to the key characters in this story and will learn to enjoy the quirky moments and feel the exacting emotions. One Chance, One Moment had me gripped from the very first page and there wasn't a moment it never had me absorbed. The story is well-fleshed out, and the author explores themes of love, passion, family, and work with great mastery. This is a page-turner in its genre."
