

FOR IMMEDIATE RELEASE

Author Judith Ann Kohnen Releases Sequel to her Twelve-Time Award-Winning Novel

Inspiring author Judith Ann Kohnen has released yet another romantic sensation titled “For the Love of Mandy” – book two of her Mandy Story. Book one, a romantic comedy/drama titled “One Chance, One Moment” and inspired by the 1975 hit song MANDY recorded by Manilow, has been recognized nine times since its first publication in 2014, winning four awards in the past seven months. For the Love of Mandy promises to entertain readers with the same fun and adventure, yet with a deeper twist of intrigue and suspense not found in the first book.

[For the Love of Mandy](#) is the story of Amanda Fields, a nurse and holistic healer who is caught between conflicting desires and a situation beyond her control. She has only her intuition to trust as she sets off on a perilous journey of sacrifice and love, even though it means walking away from the one man she wants to be with most in the world—Garry Danzlo. Realizing what a fool he was in letting her go, Garry wins back his Mandy, only to lose her again to another man who has snatched her away and places her into a world of danger. Garry sets out on a daring and death-defying quest to get back his Mandy ... again.

See what reviewers at Readers' Favorite are saying about FOR THE LOVE OF MANDY . . .

A gripping contemporary romance with gorgeous and sophisticated characters... spellbinding, hugely entertaining and loaded with emotions that readers can resonate with. The story is a success at several levels, including the language, the strong plot elements, character development, and pacing. For the Love of Mandy is a page-turner with characters that feel real and that instantly win the reader's sympathy; it is emotionally intense and strongly engaging." – *Reviewed by Divine Zape for Readers' Favorite*

"Rich, emotionally complex, a story that juggles many suspenseful moments at once...a tale that will take your breath away. Few authors have Kohnen's gift for imbuing realistic and flawed characters with so much humanity. *For the Love of Mandy* is realistic, well-plotted, and written to keep the reader interested in the characters. It is as riveting as it is entertaining." – *Reviewed by Romuald Dzemo for Readers' Favorite*
